Mississippi's Katrina Mediation Program Shows 80% Settlement Rate
Updated figures reveal that nearly 5,000 mediations were requested in the Mississippi Insurance Department's hurricane mediation program, and 82% of those settled. About a fourth of the settlements occurred prior to mediation, with the remainder settling at mediation. In addition, another 235 federal cases were resolved through court-ordered mediation, out of about 1,100 closed federal cases, while another 867 policyholders in two mass lawsuits settled without filing individual claims.
